

Competition assignment details

P.02 and P.03

Of the landscape-architectural competition „Lety u Písku. Memorial to the holocaust of the Roma and Sinti in Bohemia“

The competition assignment details P.02 – map background and P.03 ortophotomap are copyrighted. We offer two ways of access to these documents:

- If you are a registered supplier in the Czech National electronic tool (NEN), we can unlock these documents for your account directly on the NEN platform
- We will send you a link to an external cloud where you can download the documents even if you are not yet a registered supplier

For access send the signed form (see below) per e-mail to winkelmannova@onplanlab.com together with your preferred way of access. If you wish to access the documents on the NEN platform, please send us your Company identification number or the link to your supplier profile on the NEN platform.

Agreement on the use of competition assignment details

of the landscape-architectural competition „Lety u
Písku. Memorial to the holocaust of the Roma and
Sinti in Bohemia“

I hereby confirm, that I will use the competition assignment details P.02 – map
background and P.03 ortophotomap and historical materials only for purposes of
creating the competition proposal and I will not share them with third parties.
